ArcBest

More Than Logistics

Meet delivery deadlines with best-in-class ground expedite service.

When speed is crucial for success, rely on ArcBest expedite shipping to get freight delivered fast. We utilize our Panther Premium Logistics® fleet to provide exclusive-use vehicles for regional and long-haul services on demand. And with service available 24/7/365, we can offer expedite solutions to meet every delivery deadline.

We measure on-time performance within 15 minutes of promised pickup and delivery – and we achieve it more than 98% of the time.

Through our robust equipment and technology offerings, we provide:

- ✓ Fast quotes and equipment availability
- ✓ End-to-end visibility with 100% satellite-tracked fleet
- ✓ Automated milestone notifications
- ✓ Door-to-door service throughout the U.S., Canada and Mexico

ON TIME. ON TARGET.
NO EXCEPTIONS.®
