ABF Freight Named 2017 Great Supply Chain Partner

- SupplyChainBrain includes ArcBest carrier ABF Freight on list of 100 partners

FORT SMITH, Arkansas, July 10, 2017 — [ArcBest](#)SM [Nasdaq: ARCB], a leading logistics company with creative problem solvers who deliver integrated solutions, is pleased to announce that its less-than-truckload carrier ABF Freight[®] is a Great Supply Chain Partner for 2017.

SupplyChainBrain's annual list of 100 Great Supply Chain Partners features a select group of companies whose customers recognize them for providing outstanding solutions and services. ABF Freight also was included on the lists for 2016 and 2014.

"At ArcBest, we create solutions to even the most complex supply chain challenges, and we are focused on providing the best customer experience possible," said Judy R. McReynolds, ArcBest chairman, president and CEO. "We strive to deliver value to our customers by being a strategic partner. We're pleased that our customers continue to nominate ArcBest and ABF Freight for this recognition."

SupplyChainBrain gathers nominations through a six-month online poll of supply chain professionals, asking them to nominate vendors and service providers whose solutions have made a significant impact on their company's efficiency, customer service and overall supply chain performance.

"For 15 years running, SupplyChainBrain has published our much anticipated list of 100 Great Supply Chain Partners," said Brad Berger, publisher of SupplyChainBrain. "This year's field of nominees was abundant and very strong, hailing from all aspects of supply chain management."

The complete list of 100 Great Supply Chain Partners for 2017 will appear in the July/August issue of SupplyChainBrain, available at supplychainbrain.com.
