### **ArcBest Named 2018 Great Supply Chain Partner**

- SupplyChainBrain includes leading logistics company on list of 100 partners

FORT SMITH, Arkansas, September 24, 2018 — [ArcBest](#)<sup>®</sup> (Nasdaq: ARCB), a leading logistics company with creative problem solvers who deliver integrated solutions, is pleased to announce that it is among the 100 Great Supply Chain Partners for 2018.

SupplyChainBrain magazine publishes the annual list of 100 Great Supply Chain Partners, which features a select group of companies whose customers recognize them for providing outstanding solutions and services. ArcBest carrier ABF Freight<sup>®</sup> also was included on the lists for 2017 and 2016.

“I am pleased that ArcBest is once again recognized as a Great Supply Chain Partner, and I am grateful to our customers who took the time to nominate us,” said Judy R. McReynolds, ArcBest chairman, president and CEO. “By providing a best-in-class experience and emphasizing innovation, we will continue to partner with customers to address their toughest supply chain challenges.”

SupplyChainBrain assembles the list after conducting a six-month online poll of supply chain professionals who nominate vendors and service providers whose solutions have made a significant impact on their company’s efficiency, customer service and overall supply chain performance.

“For 16 years running, SupplyChainBrain has published our much-anticipated list of 100 Great Supply Chain Partners,” said Brad Berger, publisher of SupplyChainBrain. “This year’s field of nominees was competitive and inspiring — coming from all sectors of supply chain management.”

ArcBest and the complete list of 100 Great Supply Chain Partners for 2018 will appear in the October 2018 edition of [SupplyChainBrain](#) magazine.
