### **Top ABF Freight Drivers Earn Recognition on Road Team**

- ArcBest carrier ABF Freight announces 2018-2019 ABF Freight Road Team

FORT SMITH, Arkansas, March 6, 2018 — [ArcBest](#)<sup>®</sup> (Nasdaq: ARCB), a leading logistics company with creative problem solvers who deliver integrated solutions, is pleased to announce that its less-than-truckload carrier ABF Freight<sup>®</sup> has chosen 12 professional drivers for the 2018-2019 ABF Freight Road Team.

Members of the 2018-2019 ABF Freight Road Team and their service centers are: Scotty Davis, Kansas City, Missouri; Scott Scheuffele, Ontario, Oregon; Brian Petrovcic, North Lima, Ohio; Todd Wilemon, Tupelo, Mississippi; Matt Meadows, Charleston, West Virginia; Allen McNeely, Charlotte, North Carolina; Jimmy Smith, Roanoke, Virginia; Sammy Brewster, Atlanta, Georgia; Eric Patterson, Phoenix, Arizona; Don Wood, Albuquerque, New Mexico; Jon Herman, Kansas City, Missouri; and Russ Lauver, Carlisle, Pennsylvania.

“We are proud to have these exceptional representatives among the ranks of ABF Freight’s professional drivers,” said Mark McMinn, ABF Freight senior vice president of Operations and Safety. “Each Road Team member has superb driving skills and an outstanding safety record. Their commitment to our customers’ goods, as well as their commitment to the safety of the driving public, makes them excellent ambassadors to represent ABF Freight and the trucking industry.”

To be eligible for the ABF Freight Road Team, candidates must have at least 10 years of driving experience and an exemplary driving record. Road Team membership is one of the highest honors an ABF Freight driver can achieve.

“With drivers like these, it’s no wonder why ABF Freight has been a trusted partner our customers have depended on for over 95 years,” McMinn said.

During two-year terms, ABF Freight Road Team members serve as ambassadors for ABF Freight as well as the trucking industry at large. They are available for speaking engagements at civic and fraternal organizations, school events, career days and other events around the country. When called upon, Road Team members speak about driving safety, the image of the truck driver, sharing the road with trucks, or other subjects of community or industry interest.

The ABF Freight Road Team was established in 1990 and is patterned after the American Trucking Associations’ [America’s Road Team](#).
