## Everglades with a Naturalist

*(Friday, June 6<sup>th</sup> Only)*

Often compared to a grassy, slow-moving river, the everglades is made up of coastal mangroves, sawgrass marshes and pine flatwoods that are home to hundreds of animal species. Guests will venture out into the swampy marshlands of Southwest Florida with the opportunity to spot alligators, the endangered leatherback turtle, manatees, exotic birds and more. After the airboat ride, guests will experience a live alligator show and can visit the animal sanctuary. Guests will love this authentic everglades experience!

**Activity Time:** 9:45 A.M. – 1:15 P.M.

**Duration:** 3.5 hours

*This activity takes place outdoors. Comfortable clothing and sunscreen are recommended.*

## Naples Botanical Garden Tour (Friday, June 6<sup>th</sup> Only)

Naples Botanical Garden is a 170-acre, world-class garden paradise that features plants from around the world and the home to an abundance of valuable plants. All plants are inherently valuable, and these plants are considered valuable for a variety of reasons. Some are eaten, some are used as raw material, some are cultural symbols, and some derive their value from their rarity. These plants, however, are not just MVPs because they have significance to humans; they all provide ecosystem services in their native habitats and inspire responsible cultivation and conservation practices.

**Activity Time:** 9:30 A.M. – 12:30 P.M.

**Duration:** 3 hours (a 60-minute guided tour followed by leisure time at the Gardens)

*This tour involves walking. Guests are encouraged to wear sunscreen and comfortable shoes.*
