NOTE (3) Commodities requiring special or additional care or attention in handling or stowing must be so marked and packaged as to ensure safe transportation with ordinary care. See Sec. (2) of NMFC item 360.

This is to certify that the above-named materials are properly classified, described, packaged, marked and labeled and are in proper condition for transportation, according to the applicable regulations of the Department of Transportation. Additionally, by signature on this bill of lading, Shipper authorizes consent to the Transportation Security Administration (TSA) to screen the shipment when transportation of the shipment requires movement via an air carrier.
