| * Mark "X" to designate Hazardous Materials as defined in DOT regulations. Notify if problem en route or delivery (for informational purposes only): Name Phone Email | | | | | | RECEIVED, subject to individually determined rates or contracts that have been agreed upon in writing between the carrier and shipper, if applicable, otherwise to the rates, classifications and rules that have been established by the carrier and are available to the shipper, on request. Every service to be performed hereunder shall be subject to all terms and conditions of the uniform bill of lading set forth in the National Motor Freight Classification. The shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns. See item 780-1 ABF 111 | | | | | | | |
| NOTE (1) Where the rate is dependent on value, shippers are required to state specifically in writing the agreed or declared value of the property as follows: "The agreed or declared value of the property is specifically stated by the shipper to be not exceeding \$ | | | | | | rules for general liability limitations and for additional coverage available at additional expense. This is to certify that the above-named materials are properly classified, described, packaged, marked and labeled and are in proper condition for transportation, according to the applicable regulations of the Department of Transportation. Additionally, by signature on this bill of lading, Shipper authorizes consent to the Transportation Security Administration (TSA) to screen the shipment when transportation of the shipment requires movement via an air carrier. | | | | | | | |
